BarkerGym

Greetings parents/guardians,

I would like to welcome you to the Instagram account that has been set up for our Physical Education classes. This account will allow you and your children to see what units will be coming up in Physical Education classes. Pictures and videos will be posted of coming events, units, intramurals, Divisional tournaments and all other things Phys.ed related. Please note that there will never be photos or videos of any students posted. If you are interested in following, please search for the name “BarkerGym.” I will approve your requests as this is a private account. If you have any questions, feel free to contact me here at the school.

Sincerely,

Mr. Dyck
